Hi [Client Name],

Thank you for trusting me with your Bayut/Property Finder data.

What you'll find inside:

- 01_Final_Scored_Leads.csv → full dataset with scores and tiers

- 02_Top200_Hot_Warm_Leads.xlsx → your 200 highest-priority leads (open this first)

- 03_Interactive_Dashboard.twbx → explore everything visually

- 04_Scoring_Logic_One_Pager.pdf → exact rules used

- 05_Quick_Start_Guide.pdf → how to get maximum ROI

Next step: let's jump on a 15-min call to:

1. Review the top 50 leads

2. Plan your call team's priority list

3. Discuss monthly updates (optional retainer)

Looking forward to helping you close more deals, faster.

Best regards,
